## Individual Placement Support (IPS) in Derbyshire

We were notified some of you were unable to view this post on our June newsletter due to some technical issues. We have made some amendments, so here it is for those who missed it!

Individual Placement Support or IPS services provide personalised employment support to people engaged within community services such as alcohol and drugs, mental health and primary care. It involves intensive, individualised support, rapid job searching followed by placement in competitive, paid employment, and time-unlimited in-work support for both employee and employer...

## Feedback from our partners Jobs 22

"The workshop and your delivery have a profound positive effect on the hardest-to-reach participants' confidence and mindset. We really appreciate the impact that you have had on our participants in a short time! And very much look forward to having you back for another cohort shortly, Thank you!!"
