Supporting roughsleepers in Shropshire!

What are we doing to help support rough sleepers?

The Shropshire Rough Sleepers service, now known as RESET, was first introduced in our November newsletter and has now been up and running for 4 months. The goals of the programme are to get the rough sleepers of Shropshire in service, engaging them with physical and mental health support and on the programme to...

Our learners' feedback!

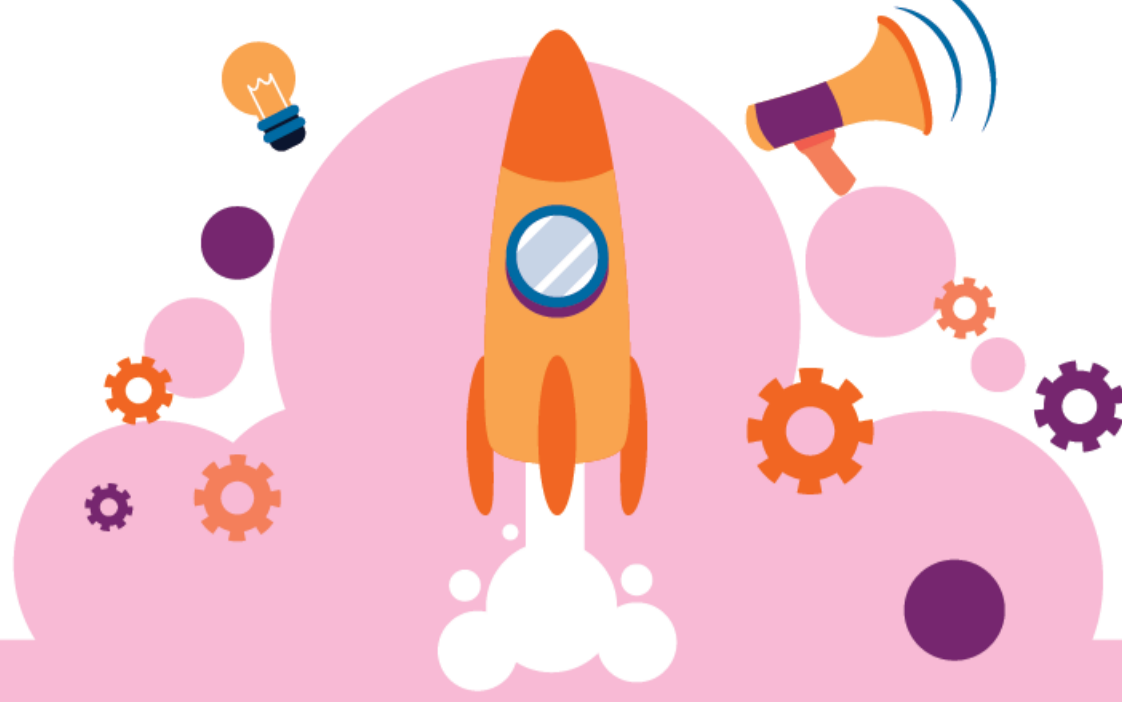

"Would really recommend. It clarified and cleared a lot of fog, and relit my desire to live life to the full. Wasn't quite sure what to expect before attending. Can't explain how much this course has helped."

"Wonderful course. Opened my mind to what can be achieved and how to start getting there. It also gives ideas on how to develop skills through accessing courses and personal development."
