Feedback from one of our Intuitive Recovery learners in Bury:

"I am nearly at my 7 month and I cannot thank you and the service you deliver enough, as my appreciation for your service is commendable . My life has changed incredibly over the last 6 months. I've built relationships back up mainly with my daughter, auntie and mum who are my world. All trust is back with them, my work life is amazing as well as my relationships. I feel absolutely amazing within myself as I have found me again. Thank you once again."
